

Hi John,

Please can you add the following item to the next Towns Trust meeting on the 10th September 2024. The purpose is to allow more use of the Town Hall and Market place by moving the responsibility of the purchase of individual Entertainment Licences to one that is purchased by the Towns Trust annually. The fee is £100 to set up and £70 per year thereafter including the first year.

*The Towns Trust agree to purchase a yearly Entertainments Licence for the Town Hall and Market Place including the curtilage.*
